Introduction and General Office Information

Introduction

The Registered Student Organization (RSO) Handbook is a resource guide, designed to inform and educate RSO officers, members, and advisors about the University policies, procedures, and processes, along with the services available to function successfully as an extension of the University community. These policies grew out of Southern Illinois University Carbondale's mission, Board of Trustees Policies, and SIU's Student Conduct Code. This document's content may change due to experience, new information, changes in process requirements and resource availability.

We expect all RSO members to educate themselves on the information provided, practice organizational ethics, exercise sound fiscal responsibilities, abide by university policies, and observe all federal, state and local laws. Failure to comply with these policies and laws, will result in RSOs being held accountable accordingly.

This Handbook is only intended to serve as a reference tool for many of the questions that may come up throughout the year, but this document is not exhaustive by any measure, and thus we encourage all students to visit our office with specific questions or concerns.

We look forward to working with you and your RSOs.

University Mission Statements, Diversity Definition & Student Conduct Code

Southern Illinois University Mission

SIU embraces a unique tradition of access and opportunity, inclusive excellence, innovation in research and creativity, and outstanding teaching focused on nurturing student success. As a nationally ranked public research university and regional economic catalyst, we create and exchange knowledge to shape future leaders, improve our communities, and transform lives.

Division of Student Affairs Mission

The Division of Student Affairs at Southern Illinois University Carbondale is committed to supporting the mission of our institution by providing purposeful and engaging programs, resources, and spaces. We create a comprehensive experience that supports and challenges all students to achieve their academic goals and personal potential.

How do we define diversity?

“Diversity is a valued principle that enhances cultures, ideas, social positions, and beliefs. Our intention is to be proactive to ensure all voices are heard in an equitable manner. In doing so, we maintain a history of welcoming individuals of various backgrounds. By recognizing the intersection of such dimensions as race, age, ethnicity, gender, sexual orientation, gender identity, (dis)ability, socioeconomic status, religious beliefs, educational background, political beliefs, military experiences, geographic location, language, and work experience, we strive for inclusive excellence.” Click [here](#) for additional definitions.

Student Conduct Code

Southern Illinois University Carbondale is charged by the State of Illinois and the Southern Illinois University Board of Trustees (Board of Trustees) with the responsibility of developing and administering institutional policies and rules governing the role of students and their

conduct. Pursuant to the Policies of the SIU Board of Trustees, Section 3.C. these policies authorize the Chancellor to develop standards and policies to address student rights and conduct.

It is expected that students and RSO members familiarize themselves and manage all organizational operations in accordance with the Student Conduct Code. [Click Here](#) to access the Student Conduct Code.

Title IX

Southern Illinois University Carbondale (“SIUC” or “the University”) does not discriminate on the basis of sex and is committed to a policy of providing equal employment and educational benefits, programs, activities, and opportunities. In particular, Southern Illinois University is committed to maintaining a community in which students, faculty, and staff can work and learn together in an atmosphere free of all forms of discrimination, including but not limited to sexual harassment and retaliation. Further, SIUC is committed to fostering an environment in which all members of our campus community are safe, secure, and free from gender-based violence of any form, including but not limited to sexual assault, dating violence, domestic violence, and stalking. SIUC expects that all interpersonal relationships and interactions—especially those of an intimate nature—be grounded upon mutual respect, open communication, and clear consent.

Registered Student Organizations

Southern Illinois University supports the existence of student organizations in recognition of their overall benefit to students and the University.

Student organizations are considered to be independent entities, separate from the University. Student organizations may not represent themselves as being official bodies of the University, nor contract with third parties on behalf of the institution.

The University does not control or endorse the actions of independent student organizations, nor assume liability on their behalf. Independent student organizations are initiated by students, led by students, and exist as self-governing independent entities, responsible for their own conduct and activities.

There are a small number of student-led organizations that are provided with professional staff advisors and funding from the University. These organizations are held to a higher level of accountability by the University.

The University, via the Office of Student Engagement, ensures certain resources are available to all student organizations that participate in an annual registration process.

Starting a New RSO

First - Did this student organization exist in previous years?

Contact the Office of Student Engagement if you think the RSO has existed previously, and they will check their records.

If the RSO has not existed before, it is easy to start an RSO! Once your registered student organization is recognized through the Undergraduate Student Government and the Office of Student Engagement, you are eligible for numerous benefits including:

- The ability to host events on campus
- Free or reduced cost reservations in many of the University's facilities
- Eligibility for Student Government funding
- Solicitation under the student organization's name
- Participation in many campus events that are exclusive for RSOs

Follow the below steps to get started:

- Collect the names and SIU email addresses of at least 10 currently enrolled SIU students that are interested in joining your organization. *Students will be verified. *
- Contact a full time SIU faculty or staff member to be your advisor. Create an organization constitution. [Click here](#) for a sample organization constitution.
- Visit [Saluki Connect](#) to complete the application.
- Your student organization's registration packet will be reviewed and forwarded onto either the Internal Affairs Committee (IAC) of Undergraduate Student Government (USG) or the Graduate Professional Student Council (GPSC) for approval. This approval process could take up to 6-8 weeks.
- For undergraduate RSOs, the IAC will invite the president and advisor to the next scheduled IAC meeting. During this meeting the committee will ask any appropriate questions that they may have.
- The IAC will create a resolution and present it at the next USG meeting for the Senate to vote on the approval of the RSO. Representatives from the RSO do not need to attend the USG meeting, but must attend an IAC meeting.
- For Graduate RSOs the registration packet will go to the GPSC executive council for consideration before being brought to the next GPSC meeting.
- After approval from either USG or GPSC, the new student organization will need to schedule a meeting with a member of the Office of Student Engagement (OSE) to complete the New RSO Orientation. Please [e-mail](#) to schedule your appointment.

Organization Requirements and Responsibilities

Recognition of an RSO

The officers and members of any student organization are responsible for conducting themselves and their activities in accordance with the purposes and policies of the university. As well as with the purposes and policies stated in their approved constitution. It should be understood that the president of any organization, other listed officers, and listed members of the organization can be individually or collectively held responsible by Student Rights and Responsibilities for their actions and the actions of their organization at meetings, events, and/or activities, whether approved by the organization or not.

Constitution & By Laws

A student organization must have a constitution and/or bylaws. The constitution and bylaws are the documents containing basic rules relating to itself as an organization. Constitutions and bylaws must be reviewed and ratified every two years by the organization. When writing a constitution, strive for conciseness and clarity; avoid vagueness and ambiguity. Remember: The student organization will look towards the constitution when holding elections, removing members, vacancies, etc. It is important to keep this document up-to-date and to ensure all members understand its value.

A sample constitution is provided online at getinvolved.siu.edu. We have also included a copy in the appendix.

Ordinarily, every constitution contains articles covering these subjects:

- a. Name of the organization
- b. Group objectives/ purpose
- c. Membership requirements
- d. Officers
- e. Meetings
- f. Executive Board (if needed)
- g. Committees
- h. Parliamentary authority to be followed by the organization

- k. Provision for honorary members or officers
- l. Description of method to amend the Bylaws (usually by two-thirds vote)

Saluki Connect

All RSOs are required to create and maintain a Saluki Connect page. Saluki Connect is used by offices at SIU to confirm active status to be able to reserve space, spend RSO account money, and to confirm if the RSO exists in general. These departments prefer to work with officers listed on the Saluki Connect portal as well. Saluki Connect is also where the constitution is stored and club rosters are kept. Organization rosters must be updated at least once per semester. RSOs must complete one of the following by the end of the academic year: 1) End of the Year Report or 2) Event Closing reports for all events hosted and conferences attended. RSOs can also promote their meetings and events on Saluki Connect.

[Saluki Connect](#) is an online, interactive database for SIU Registered Student Organizations (RSOs). Whether you are looking to become involved or you are a student leader looking to make the most of your organization, Saluki Connect has the tools that you need!

Saluki Connect:

- View Registered Student Organization (RSO) portals
- Advertise and view events on the public calendar
- Access forms needed to conduct business
- Customize your organization's portal

A RSO's Saluki Connect portal must be updated with the correct information at all times. This includes but is not limited to: executive board members, certified officers, advisor, meeting location/information, event details, etc. If the University needs to contact the RSO regarding RSO officers/members, events, meetings, etc., we will use the information available on the RSO's Saluki Connect portal.

**Please note that many changes on your Saluki Connect portal will require approval from the Office of Student Engagement in order to be up to date. Once you have made changes, an "Advisor Approval Form" will be sent to the advisor.

Other Requirements

All interested RSOs must have at least ten (10) members to become an RSO and all active RSOs must have five (5) members to remain active.

If a chapter falls below the five-person requirement, the chapter is put on "alert" with the office. Being on "alert" means organizations will be expected to uphold all other RSO expectations, in addition to showing membership recruitment efforts. A RSO must work with the Office of Student Engagement to create a recruitment plan.

If following two consecutive semesters, the organization on “alert” has failed to meet expectations and/or has not showed any recruitment efforts, University recognition of the chapter will be revoked. The Office of Student Engagement is happy to aid RSOs in developing a recruitment strategy to ensure that the RSO meets this requirement.

All RSOs must attend the Office of Student Engagement’s RSO orientations once a semester. Each RSO must send two representatives to these orientations, and one individual may represent up to two RSOs. New RSOs must work with the Office of Student Engagement to schedule a time to go through make-up training.

RSO Status

Active

An RSO who is in good standing with the office and has met all the necessary requirements.

DawgHouse/Probation

If an RSO is found in violation of OSE policies, university policies, local, state, or federal laws the organization will be placed immediately in the DawgHouse. An RSO in the DawgHouse is considered to be on probation. Your organization will not be able to reserve spaces on campus, make purchases, request solicitation tables, and your organization is no longer in good standing. RSOs and advisors in the DawgHouse will be informed by the Office of Student Engagement via email, and it is the responsibility of the organization to complete a reinstatement plan.

RSOs that are in the DawgHouse for two consecutive semesters will be deactivated.

Inactive

If an RSO does not have all of the above requirements, they will be considered inactive. If the organization has lapsed due to lack of involvement the RSO will go dormant.

If the group is missing requirements, but wishes to remain active, they will be put in the OSE Dawg House until they have completed all the requirements to be reinstated to active status.

Reactivation Process

RSOs that do not operate for two consecutive semesters and do not have more than five members will need to contact the Office of Student Engagement as they will need to go through the process to reactivate their organization. Organizations must have 5 members and 1 staff or faculty member to be considered for reactivation.

Types of Membership and their Requirements for RSOs

Individual Membership Requirements

- Active membership in any Registered Student Organization is limited to students officially enrolled and registered with the University. Spouses and dependents of

members are allowed to participate via approval of the RSO. All members must maintain a 2.0 cumulative grade point average, good standing with the university and adhere to all academic and institutional policies.

- In accordance with Title IX of the Education Amendments of 1972, membership requirements for student organizations must be the same for men and women with the exception of social fraternities and sororities, which are exempt from this regulation.
- In accordance with Section 504 of the Rehabilitation Act of 1973, no qualified student with a disability shall, on the basis of disability, be excluded from participation in or denied the benefits of any extracurricular activities or programs, including student organizations.

RSO Officers

RSOs may choose their officer layout. Most RSOs have a President, Vice President, Treasurer, and Secretary. All RSOs are requirement to have a President, Treasurer, and Secretary level officer position, regardless of the layout or titles chosen (other position titles may include but are not limited to Coordinator, Executive, Chief Financial Officer). Saluki Connect will require you to have a President, Treasurer, and Secretary. Saluki Connect also allows RSOs to have committee chairs. Officers listed on Saluki Connect will have the ability to reserve space, spend RSO funds, and rent equipment from OSE for solicitation and events. Please note advisors will have identical access to RSO information as officers.

Officer Requirements

University requirements for students to be eligible for, elected to, appointed to, or hold office in a registered student organization:

- Officers and/or chairs of all Registered Student Organizations must be students officially affiliated and enrolled with the University.
- In accordance with Title IX of the Education Amendments of 1972, as members of student organizations, students must be allowed to participate equally and may not be assigned or denied office or benefits on the basis of sex.
- Must maintain a 2.0 cumulative grade point average, meet all other reasonable academic standards established by the student organization and included in the organization's constitution and/or bylaws.
- Must have created a personal Saluki Connect account.
- RSO Officers are required to immediately notify their advisor, the Student Involvement and Leadership Program Director, or a University staff member when any form of misconduct that are not defined within the bounds of this handbook occur. This includes, but is not limited to, violations of the SIU student Conduct Code, alleged Title IX

violations, hazing allegations, etc. RSOs are prohibited from performing investigations regarding alleged Title IX or discrimination violations.

According to policies.siu.edu: Officers and/or chairs of all Registered Student Organizations must be students officially enrolled with the University and must be classified as being in "good standing" with the University. This refers to both academic and disciplinary standing as defined by Admissions and Records and the Dean of Students, respectively.

RSO Advisors

All registered student organizations are required to have an advisor who is a full-time faculty or staff member at SIUC. Extra-help employees and graduate students with or without graduate assistantship appointments are not eligible to serve as an advisor.

The advisor agrees to assist the organization, to provide an educational experience for its individual members and to be familiar with its programs and activities. An advisor is a consultant to an organization and assists in the growth and development of the group by providing direction through advice, understanding, and clarification. All advisors must complete the Advisor Verification Form on Saluki Connect before the start of the Fall semester.

For active RSOs only officers can request to replace a sitting advisor or approve a replacement advisor who has left the role. If an RSO wishes to change their advisor, a change of advisor form and a new Advisor Verification Form must be submitted to the Office of Student Engagement.

Role of an Advisor

Advisors should fulfill the following duties:

- Clarify their role as advisor to the student organizational members as they see it.
- Read, understand and act in accordance with university policies that govern registered student organizations including the RSO Handbook.
- Assist the officers of the organization in understanding their duties, organizing programs, interpreting their constitution, and resolving any conflicts.
- Be accessible to the officers and members of the organization.
- Attend planning meetings and help execute major activities and complex events hosted by the student organization. Major activities and complex events are defined, but are not limited to:
 - 50+ in estimated attendance, require outside production (lights, sound, staging, etc.), advanced internal production equipment and/or set-up, alcohol, or other criteria deemed complex by Student Center Event Services, Office of Student Engagement, or Dean of Students area.
 - If the advisor is unable to be present for the major activity or complex event, a secondary representative must be agreed upon by all parties involved for the event to take place. This secondary representative must be a faculty or staff member of SIU.

- Stay updated on developments within the organization.
- Advise and consult the organization's officers.
- Assist the officers in maintaining RSO records.
- Provide continuity to the organization's policies, programs, and traditions.
- Assist in officer transition.
- Complete an Advisor Recap Form at the end of the Spring semester.
- Must attend an Advisor Training hosted by the Office of Student Engagement at least once a year.
- All new advisors of RSOs must attend a New Advisor Training within the first semester of entering the role.
- Must complete the Advisor Verification Form on Saluki Connect before the start of the Fall semester.
- Approve all RSO transactions over \$100.
- Maintain accurate knowledge of all funds used and raised by the RSO every fiscal year.

Advisor Transition

If an advisor leaves his/her/their position at the University or chooses to no longer be the advisor, they must notify the student organization as soon as possible. The student organization must then identify a new advisor in two weeks. Until a new advisor is secured, the RSO is not allowed to schedule space on campus, spend money from their RSO account, or request funding from USG/GPSC. The new advisor must complete the Advisor Verification Form on Saluki Connect.

For active RSOs only the president can request to replace a sitting advisor or approve a replacement advisor who has left the role.

Who can be an advisor?

According to the SIU Board of Trustees, the following criteria is for RSO Advisors. Please view the full policy [here](#).

Advisor Requirements

- Every student organization must have an adviser that is a member of the SIU Carbondale faculty or staff. Campus ministers who hold the University designation of adjunct staff are eligible to serve as advisers for religious groups.
- If the group operates financially from a University agency account, a fiscal officer is required. Fiscal officers must be SIU Carbondale faculty or staff members. The adviser and fiscal officer may be the same person.
- If the group operates financially from a University state/student activity fee account, the fiscal officer must be approved by the Vice Chancellor of Student Affairs or their designee.

There are some exceptions to these rules that allow for individuals not associated with the university to serve as an advisor. Any religious organization may have an advisor who is not associated with the university, but they may not be a fiscal officer.

RSO Expectations

Communication

The Office of Student Engagement will primarily communicate with RSO officers via email. We expect officers to check their email and respond accordingly. OSE will send emails about RSO Transition, Involvement Fair sign-ups, policy updates, student government updates, upcoming events, and RSO Suite Applications. There is also a bi-weekly RSO newsletter, that you can submit information to via a [form](#) on Saluki Connect.

RSO Orientations

Every RSO must send a minimum of two (2) officers from their organization to a mandatory RSO Orientation each semester. These will be held in the fall and spring semester and will provide important information on how the organization should operate in the upcoming academic year. Organizations will be informed of the RSO Orientation during the Involvement Fair and via email to the current organization officers.

RSO Transition

Each Registered Student Organization (RSO) is required to complete the transitioning process on Saluki Connect once per semester. Transitioning is completely paperless and must be completed on Saluki Connect. We are not asking RSOs to actually transition their RSO leadership, this is the process that Saluki Connect calls updating your contact information. RSOs that fail to transition by the designated deadline, will be placed in the DawgHouse.

Benefits and Resources of an RSO

RSO Suite

The RSO Suite has 10 offices and three desks available. RSO's in good standing can apply for an office or a desk in the RSO Suite each April for the following school year. Groups in the RSO Suite operate under a three-strike rule.

Below are some behaviors that will warrant a strike:

- Failure to maintain office hours.
- Failure to post office hours in a timely manner.
- Failure to keep to your space clean and organized.
- Inappropriate use of space that violates any university policy

As a group gets additional strikes their chance of losing this privilege increases:

- 1st Strike – Written warning via email to President and Advisor(s).
- 2nd Strike – Meeting with a staff member from the Office of Student Engagement.
- 3rd Strike – Removal of RSO from office or desk space within 1 week of decision.

RSO Resource Checkout

RSOs have the opportunity to check out equipment and supplies through the Office of Student Engagement. Items include, but are not limited to large games, coolers, table centerpieces, tables, chairs, and a popcorn machine. The OSE is always adding to the RSO Resource Room. Click [here](https://getinvolved.siu.edu/student-organizations/rso-resource-checkout/) to request items or check out our items at <https://getinvolved.siu.edu/student-organizations/rso-resource-checkout/>.

Locker Storage

RSO lockers are available on the 3rd floor in the Student Center. Locker space is limited, and must be reserved through the Office of Student Engagement or at rsohelp@siu.edu.

Involvement Fair

As a recognized student organization, participation in the Involvement Fairs and other university-sponsored events, can help promote your organization to the campus community. Fairs are typically held in the first Thursday of the semester in Faner plaza and the Student Center.

RSO Travel

Southern Illinois University Carbondale seeks to promote safe travel to events and activities occurring beyond the boundaries of university property by RSOs. As such, the travel policy applies to all RSO travel both in cases where the travel is sponsored by the university and where a RSO travels in the name of their organization. This Travel Policy also applies to all travel taken by RSOs attending out of town events and programs. Examples of activities and events that fall under this Policy include, but are not limited to club sports trips, the activities of recognized student organizations, Student Government-funded travel, and in situations where a student or recognized student organization officially represents the University, e.g., academic team competitions, conferences, and other programs.

All student and recognized student organization travel falling within this Policy must meet the following requirements:

- Recognized student organization travel must be consistent with the organization's mission statement and constitution on file with the Office of Student Engagement. Travel must be planned so as not to create an undue interference with academic responsibilities.

- An individual student or recognized student organization must complete and submit the Travel Registration Form to the Office of Student Engagement no later than three (3) weeks before the scheduled trip. Please know that the travel form will be reviewed by the RSO advisor and the Program Director for Student Involvement and Leadership. Also, travel must be approved by the advisor before the trip can go forward.

Funding Opportunities

Undergraduate Student Government RSO Funding

To learn more about USG's funding board click [here](#). Per the USG Constitution and Student Funding Guidelines, student organizations are eligible to receive up to \$5,000 per academic year. Please RSO's may submit one request form per event. This budget request form ([here](#)) is for event and travel funding for the academic year.

Before submitting any request, [please read the Funding Guidelines](#) located at <https://usg.rso.siu.edu/documents/>

Graduate and Professional Student Council Fee Allocation Board

The Fee Allocation Board (FAB) of GPSC provides event funding for graduate and professional students' registered organizations. The FAB considers RSO's applications and funding requests and makes a decision based upon need, GPSC's history of giving, and budgetary limitations. Event funding request forms can be found [here](#). For additional information, please email gpsc@siu.edu.

Additional Opportunities

In addition to these two forms of funding, certain groups may have the ability to apply for additional funding through various umbrella groups, or university departments they are housed under. If you want to find out if your RSO is eligible for more funding opportunities, contact the Office of Student Engagement.

RSO Funds

Accessing Funds

RSOs have the right to check their account balances at any time and requests for this information can be done by email, phone or in person. RSOs can access the funds in their account when the Accountant office is open. Only RSOs in good standing with our office will be able to access their funds. In the case where an RSO account has been inactive for five years, all funds remaining in their account will be forfeited and no longer available to the RSO for use. In order to remain with active status an RSO must maintain the Saluki Connect page and complete the RSO Transition process and RSO Orientation each year.

Fiscal Authority

Fiscal officer authority can only be given with the signature of one of the Accountants in the office. Advisers and RSO officers are not fiscal officers and cannot sign for authority to make charges against any RSO accounts.

The Dean of Students is the fiscal officer for RSOs. Some RSOs, such as those affiliated with Recreational Sports and Services, Fraternity and Sorority Life, or University Housing, may have a different fiscal officer. A Fiscal Officer is required for all student groups that operate financially from a University Agency Account. The SIU Board of Trustees requires Fiscal Officers to be a member of the faculty or staff: Campus Ministers are not eligible to serve as Fiscal Officers.

Deposits

Deposits can be made at any time during which the Office of Student Engagement is open. Deposits can be made by cash, check, money order or with credit or debit cards. All credit or debit card payments will be charged a 3% processing fee. Funds deposited will be available for use immediately.

Tax ID & Off Campus Bank Accounts

RSOs are not considered part of SIU and therefore cannot utilize SIU's tax ID information including their tax-exempt status. While we strongly recommend that RSOs utilize the University account for their funds, off campus accounts are not prohibited. RSOs are responsible for all maintenance, signatures, tax information and registration of all off campus accounts.

Digital Banking

No RSO shall use electronic payment services such as: Venmo, PayPal, Square, or Cash App collect/hold funds.

RSO Dawg House

The RSO Dawg House is utilized for any RSO who has a negative cash balance (balance owed to SIU), refuses to follow Office of Student Engagement purchasing guidelines (includes not obtaining fiscal officer approval for all purchases, charging purchases to other department p-cards, not providing accountants with the correct purchasing paperwork, not turning in receipts within 48 business hours of purchase, or any other policy set forth by the OSE office), not maintaining an up-to-date Saluki Connect page. Any RSO placed in the dawg house will be unable to utilize their account funds for reservations, purchases, etc. and will have all on campus reservations cancelled. Removal from the Dawg House can happen with immediate correction of the infraction. In the instance where multiple requests have to be made to the RSO to correct the infraction and/or infraction(s) is not addressed, the Office of Student Engagement has the right to suspend the RSO from making purchases and reservations for a longer period of time.

Necessary Forms

There are various different forms that an RSO may need to utilize below is a list briefly explaining the purpose of all forms:

- [Purchase Request Form Under \\$100](#) – Form needed to make purchases under \$100, does not need Advisor signature
- [Purchase Request Form Over \\$100](#) – Form needed to make purchases over \$100, does need an Advisors signature

Planning an Event on Campus

What is the purpose of your event?

Before you start anything else, you should make sure you have a clear understanding of the desired outcomes and goals of your event. The goal of your RSO event should be aligned with your RSO's mission and purpose statements. This will provide a road map for the planning process.

Who is in Charge?

With planning any event, it is important to designate who will be the point person(s). Depending on the size and scope of the event, you may want to form a committee or team with which you can delegate certain roles or tasks. Be sure to provide consistent oversight and communicate often with them.

Timing

What type of event are you hosting? Most RSOs host social and special events. The type of event will determine the amount of time that should be set aside for planning the event.

Social Events: Events are for social gatherings or social affairs, i.e., study jams or bowling nights. These events should be planned minimally, 3-4 weeks in advance.

Special Events: Events that are business affairs, i.e., retreats, leadership training, dances, heritage/cultural month programming. These events should be planned minimally, 6-8 weeks in advance.

We suggest you choose a few potential dates for your event and keep in mind factors that may affect its plausibility and availability (conflicting university events, major RSO events, holidays, students' school schedules, season/weather, etc.). Once you've finalized a date for your event, design a timeline for completion of important tasks and meeting important deadlines.

The 5 Ws

1. **Who:** Who is the event for and who will attend?
2. **What:** What is the title of the event and what will happen at the event?
3. **Why:** Why is the organization hosting this event?
4. **When:** When will the event take place?
 - a. Consider times that work best for your organization and target audience.
5. **Where:** Where will the event be held?
 - a. Have multiple options and keep in mind all associated costs when selecting a venue.

Budget

Once you have answered the 5 W's for your event, the next thing to figure out is HOW? How is your RSO going to fund the desired event. You will need to determine all the various costs associated with hosting your event. Form a budget that includes your group's available funds and allocates how much can and will be spent on each of the costs. If your event is not self-sufficient (i.e. entrance fees, memberships dues, etc.), you may consider fundraising with your group or inquiring about university funding (see USG Funding). There are budget templates available in the Office of Student Engagement. Please contact rsohelp@siu.edu if you need assistance creating a budget for your RSO Event.

Campus Police at SIU Events

Organizations charging entry for an event, late night events, events open to the general public, utilizing multiple ballrooms, and/or have an anticipated event attendance at/or above 500 persons may be required to use Athletics Special Event Ticketing and may be required to pay to have Department of Public Safety (DPS) officers present as security personnel. Ticketing and DPS

presence are at the discretion of the Office Student Engagement in consultation with campus partners. Organizations must use DPS as security personnel and cannot bring in outside security.

Facilities & Venues

When choosing a location for your event, consider how many attendees are possible and how to best configure the space for your purposes. Be sure to account for additional set up needs. These may include, but are not limited to, a podium, projector, screen, laptop, sound system, microphone, stage, check-in tables, catering tables, and lighting. Additionally, don't assume your reservation is valid until you receive a confirmation from the venue. Check out campus facilities at www.scheduling.siu.edu .

Insurance & Liability

Anytime your Registered Student Organization (RSOs) hosts an activity of any kind, the organization is assuming varying levels of risk. RSOs need to make certain they are aware of the risks and are taking proper steps to ensure a safe event/activity/etc. Please discuss insurance needs for events with the OSE Accountants. It may be advised your RSO has attendees sign liability waivers before participating in the activity. If you have questions about implementing a liability waiver please contact rsohelp@siu.edu.

The event/activity/etc. may be required to purchase one-day or special event insurance. There are two options of insurance companies that offer coverage for certain types of events/activities/etc. sponsored by student organizations. Please see the OSE Accountants if you have questions about event insurance.

Event Promotions

Marketing your event will be essential in building visibility, connecting with your audience, and increasing attendance. Your strategy for marketing your event will largely depend on the goals you have and the audience you are attempting to reach. Your first consideration may be to develop an attractive name and theme for your event. These types of overarching elements will inform the rest of your marketing strategy. Resources exist including the [Student Center Marketing and Graphics Office](#), who can help you with the process and can also assist with designating any materials.

Flier Policy

Registered Student Organizations may choose to use posters or fliers to promote their upcoming meetings, events or to recruit new members. Though the Office of Student Engagement will not approve posters or fliers for RSOs, it's important to consider the following:

- The full name of the student organization and the date, time, and location of the meeting, event or activity must be clearly identified on the face of the poster. Acronyms and Greek symbols should only be used when in conjunction with the full name of the organization.
- Contact information: Phone number, email or website of organization or contact person.
- The Office of Student Engagement strongly encourages your organization to add the following language to your poster or flier to provide more inclusive programming on campus: "Individuals with disabilities are welcomed. Call DSS at 618.453.5738 in advance of the event to request accommodations."

In order to maintain the natural beauty of the campus and to preserve the quality of buildings and grounds, posters or fliers may only be placed on bulletin boards provided for this purpose in university buildings.

- Student Center
 - 2 (two) copies may be turned into the Student Center ID Office.
- Lawson Hall
- Morris Library
- University Housing
 - Fliers must be approved prior to posting. Groups wishing to post multiple fliers at the same time may have limited access, pending space availability. Groups posting without approval may have posting privileges revoked. Registered Student Organizations (RSOs) must be in good standing as an RSO with applicable campus office(s). Fliers may be in letter (8.5x11), legal (8.5x14) or ledger (11x17) size. Please reach out to the Housing Marketing Office at housing@siu.edu.
- Approval to post on additional bulletin boards around campus is at the discretion of the department/building on campus. Student organizations must work with the department/building on campus for approval prior to posting the poster or flier.

- No posters, fliers, signs, or other materials should be posted, nailed, taped, stapled, etc., to any part of the interior or exterior (including windows and doors) of University buildings or on light posts, sidewalks, telephone poles, trees, trash receptacles, overpasses/bridges, or automobile windshields.
- No posters, fliers, signs, or other materials should be posted, nailed, taped, stapled, etc. in restrooms, on tables, or left in any building common spaces.

Flier Policy Violations

The Office of Student Engagement may remove any posters or fliers deemed to be obscene, offensive or discriminatory to a portion of the university community, or which advertises an event which is illegal or unlawful. The decision of the OSE may be appealed to the Vice Chancellor of Student Affairs or their designee.

Any poster deemed inappropriate must be removed by the organization/department in question, within 24-hours of written notification. Dependent on the nature of the poster or flier in question, the student organization or individuals involved may be forwarded to the Office of Student Rights and Responsibilities. Repeated violations of this policy may result in the loss of the organization's status and further disciplinary action.

RSO Policies

Food & Drink Policy

Solicitation

Student organizations are required to secure a Solicitation Permit Link to Solicitation Section before hosting a food sale. The permit should be displayed always, and all regular solicitation policies should be followed. Failure to comply with the policies listed below will result in suspension of solicitation privileges for up to 8 academic weeks.

Student organizations should adhere to the following guidelines when hosting a food sale:

- Student organizations can schedule a maximum of one food sales per week, provided there is adequate space available.
 - The Office of Student Engagement will do its best to ensure two food sales from two different student organizations are not next to one another. However, this cannot always be guaranteed.
- Only commercially pre-packed, pre-cooked items may be sold. Examples include: Baked goods such as cookies, donuts, cinnamon rolls, etc.
 - The sale of pies or cakes is prohibited.
 - Pre-packaged items (Candy, gum, individual chips) etc.

- Snow cones, popcorn, cotton candy, coffee, non-dairy hot chocolate, lemonade etc. (students must wear gloves when serving)

Prohibited Items: "Walking tacos", smoothies, ice cream, meat or dairy products, nacho cheese, and soup or chili.

- Only pre-packaged single serving condiments may be dispersed.
- Outside vendor/restaurant food cannot be purchased and resold.
- The sale and/or serving of beverages in open cups or glasses are prohibited except for coffee, lemonade, or non-dairy hot chocolate. Beverages must be sold in individual factory sealed containers (cans, bottles, etc.) only. Per SIU's agreement with Pepsi MidAmerica, all beverages must be Pepsi products, including bottled water (Aquafina or Crisp 'n Clear). Reference this site for a list of all Pepsi beverage products: <http://www.pepsimidamerica.com/products-we-serve/>
- No product (food, promotional items, apparel, etc.) may be sold at or near the Banterra Center, Saluki Stadium, and the Student Center that would compete with a concession contract or retail sales.

Pepsi Policy

SIU contracts with Pepsi MidAmerica. The agreement, which created an opportunity to support student scholarships, gives Pepsi MidAmerica exclusive pouring rights and the exclusive right to display, advertise and promote beverages on campus and in connection with the university. All staff, university departments and registered student organizations must follow the guidelines below in order to honor the university's contractual commitment:

- No other non-alcoholic beverage brand may be distributed on campus in any form.
- Events held on campus, whether or not they are university related, must use Pepsi MidAmerica products if beverages are served. This includes events that warrant a small quantity of beverages, such as a twelve pack or two that are purchased at a local retailer.
- Private parties using campus space for events are not allowed to bring products other than Pepsi brands on campus. This includes soft drinks as well as bottled water, sports and energy drinks, and bottled tea.

Catering for On-Campus Events

All catered events on campus must use a SIU "Approved Caterer". The Approved Caterer list is located on SIU Procurement's website (procurement.siu.edu) or [here](#).

In addition to the University's policy, individual buildings or departments may have additional stipulations on which caterers may be used. It is the responsibility of the student organization to work closely with the individual building or department *before* catering plans are determined.

The below links are not a comprehensive list, but a good starting point to individual building or department catering policies:

- [Student Center Preferred Caterers & Small Food Policy](#)
- [Touch of Nature Environmental Center](#)
- [University Housing](#)

Alcohol Policies and Overview

Alcohol use is only allowed at certain types of events. These events must meet certain requirements and follow all SIU Alcohol Policies. Requirements include any Board of Trustees Policies and venue specific policies if applicable. Once you have reviewed all policies and discussed your event with a venue you must submit an [Alcohol Liquor Use Request Form](#) at least ten business days before your event.

The Board of Trustees Policies are located [here](#), and in the appendix. The Alcohol Liquor Use Request Form is located [here](#) and in the appendix.

SIU Code of Conduct

All RSOs need to be aware that regardless of when and where they are hosting events, and whether or not they have received approval via the Alcohol Liquor Use Request Form, all students and RSOs are held accountable by the SIU Student Conduct Code. Any individual student or group reported to be in violation of the SIU Board of Trustees Policies or the SIU Student Conduct Code may be required to meet with Student Rights and Responsibilities. Depending on the severity of the circumstances an RSO may face consequences ranging from educational sanctions to removal of recognized student organization status.

For more information about the SIU Student Conduct Code or the Student Rights and Responsibilities Office please click [here](#).

Fraternity and Sorority Life Alcohol Policies

The Office of Fraternity and Sorority Life has their own set of specific alcohol policies and social event guidelines. Fraternities and sororities that report to the Office of Fraternity and Sorority Life must also adhere all university alcohol policies, and the alcohol policies set forth in the Fraternity and Sorority Life Handbook. To learn more about the FSL handbook or the office, click [here](#).

Talking to the Media

When a member of an RSO speaks to the media they are ultimately representing SIU. If RSOs need assistance in media preparation the OSE is available to help.

Week Before Finals Events

No RSOs shall have any programming during the week before final exams (dead week), or during the week of final exams. This prohibited programming is to ensure that all students have the opportunity to adequately study and prepare for final exams, projects, or papers. The only exception to this is if the event is co-sponsored with a department on campus. All RSO events occurring during this time must be approved by the Office of Student Engagement.

Contracts

RSOs have the ability to sign contracts with vendors. The OSE recommends that RSOs take the contract to Student Legal in order to have the contracts reviewed and to protect themselves.

Vendor Services

RSOs are responsible for paying vendor bills for which services have been rendered. Failure to do so will result in being placed on probation until the bill is paid. If the bill remains unpaid the RSO will be suspended.

Hazing

Hazing is strictly prohibited at Southern Illinois University. According to the Student Code of Conduct there are two definitions of hazing:

- Hazing - Any action required of, suggested to, or imposed upon current or potential members of a group which produces, or is reasonably likely to produce, bodily harm, humiliation, ridicule, substantial interference of academic efforts, significant impairment, or endangerment of physical, mental or emotional well-being, regardless of the consent of the participants.
- Organizational Hazing - Any action required of, suggested to, or imposed upon current or potential members of a group which produces, or is reasonably likely to produce, bodily harm, humiliation, ridicule, substantial interference of academic efforts, significant impairment, or endangerment of physical, mental or emotional well-being, regardless of the consent of the participants.

All reports of hazing will be investigated by the Office of the Vice Chancellor and/or its designees. These designees could include but are not limited to, the Dean of Students Office, Student Rights and Responsibilities, Fraternity and Sorority Life, and/or the Office of Student Engagement.

To file a hazing report this [form](#).

Chalking

Registered Student Organizations (RSOs) may use water-soluble, non-aerosol chalk on campus concrete or asphalt walkways to advertise their upcoming campus events or meetings, encourage participation in student elections, and expression of current issues.

Chalk may not be used on brick, stone or any vertical surfaces with includes but is not limited to: buildings, walls, planters, doors, fountains, poles, columns, bus stops, trees, fences, stairways, benches, trash/recycle receptacles, bicycle racks, etc.

All chalking must be open to the weather elements allowing older postings to wash away. **Chalk may not be used under canopies.** Spray chalk, profanity, obscenity, promotion of illegal acts, and events with alcohol are strictly prohibited. Student organizations may be disciplined and/or fined for violations of this policy. Fines will be levied based on the labor and materials needed to remove the chalk by SIU Plant and Service Operations (PSO).

Need chalk? Email rsohelp@siu.edu for free chalk! Check out getinvolved.siu.edu for more information.

Contests & Competitions

RSOs may sponsor competitions, as they require criteria for winning or actual skill (as opposed to luck or chance).

Definition:

- “Competition” is where a prize is earned based on a presentation/performance/etc. of actual skill or criteria for winning. A competition is not based on luck or chance.
 - Examples (include but not limited to): Lip Sync Battle, Variety Show, Talent Show, Comedy Competition, Spoken Word, Step Show/Stroll Competitions, Trivia Nights, Video Game Competitions, Academic Based Contest, Spelling Bee, Sporting Tournament (where the physical sport is played), etc.

Gambling & Raffles

RAFFLES

Raffles are permitted in the state of Illinois pending the sponsoring registered student organization has secured the appropriate University approvals (via a space reservation and approval from facility to hold a raffle) and a raffle license. Once the raffle license has been secured, a copy of the license and raffle number will need to be provided to the University facility.

Definitions:

- “Raffle” is a form of lottery in which *the player pays or agrees to pay something of value for a chance.* The winning chance is to be determined through a drawing (or by any method) based on an element of chance on the part of persons conducting the lottery.
- “Poker Run” is a prized-awarding event organized by an organization licensed under the **Illinois Raffle and Poker Runs Act** in which participants travel to multiple predetermined locations, including a key location, to play a randomized game based on an *element of chance.*

Examples (Include but not limited to): 50/50 raffle; Dice run, marble run, or other events where the objective is to build the best hand or highest score by obtaining an item or playing a randomized game at each location.

Resources: When applying for a license, consider the following and reference the **Illinois Raffle and Poker Runs Act**.

- An organization interested in holding a raffle must obtain a permit from the local governing body (i.e. the municipality and/or county) in which the organization desires to hold the raffle. Local laws and applications differ from city to city and county to county.

- The proceeds from any raffle must go solely to the organization licensed to hold such a raffle
- Obligations continue after the raffle. Organizations licensed to hold a raffle must keep records of and report back to the local governing body.

Cash Prizes

All charitable games approved through the Charitable Games Act must be played using chips, scrip, or play money. Cash may never be used to wager on any of the games. Upon completion of play, a participant may redeem his chips, scrip, or play money in exchange for prizes. A participant may not exchange his chips, scrip, or play money for a cash prize(s) exceeding \$500.00. There is no limit on the amount of non-cash prizes.

Bingo

In a University facility, RSOs *may not* sponsor a bingo event in which participants pay a participation fee to play or monetary donations are collected. If an RSO is interested in a bingo fundraiser, they must obtain a Bingo License and host the event off campus. Southern Illinois University Carbondale does not hold a “Provider of Premises” License and therefore cannot host the event.

RSOs may sponsor a bingo event as long as there is no participation fee to play or monetary donations collected.

Definitions:

- “Bingo” is a game in which each player has a card or board for which a consideration *has been paid*, containing 5 horizontal rows of space, with each row except the central one contains 5 figures. The central row had 4 figures with the word “free” marked in the center space.
- “Participation fee to play” includes but is not limited to entrance fee, bingo card fee, etc.
- “Provider of Premises” License is a license that must be obtained by the host facility/premises before a bingo/gambling activity can take place.

Resources: When applying for a Bingo License, reference the Bingo License and Tax Act. A summary may be found here and a directory of licenses may be found here.

Travel Policy

There are specific travel policies that RSOs must follow because of their connection with the university. To view all university travel policies please click [here](#). In addition to campus policies the Office of Student Engagement has specific guidelines for RSOs. RSOs are required to complete a RSO Travel Registration form prior to travel A list of these guidelines is listed in the back of this manual in Appendix X: Travel Services/Vehicle Request Form.

If you have any specific questions about the travel guidelines or vehicle request please talk to an account in the Office of Student Engagement.

Vehicle Rentals

Due to SIU insurance policies, there is only one method of vehicle rental available to registered student organizations. RSO vehicle rentals are through Enterprise Rent-A-Car, the driver must be 21 years of age with a valid driver’s license. Rentals must be done through the Office of Student Engagement. Rentals not booked through the OSE Accountants cannot be paid for with RSO funds directly or by reimbursement.

RSO must book at a minimum of five business days prior to needed rental date. A trip itinerary must be provided, as well as a list of all student names and dawg tag numbers for attendees.

Vehicles cost approximately \$60 per day, per vehicle plus the price of gas. Rentals are not guaranteed and are based on availability, so early booking is recommended.

Vehicle Request Guidelines

- When RSO's reserve vehicles, the actual vehicle(s) that a group receives are contracted through Enterprise Rent-A-Car. This allows a student who is not on SIU payroll to rent and/or drive the vehicle. All drivers of these vehicles must be 21 years of age.
- If your group is eligible to rent a university vehicle through Travel Service as opposed to an Enterprise vehicle, you are charged PER MILE instead of a daily rate. All drivers of these vehicles must be 21 years of age AND be on the university payroll (i.e. Student Worker, Graduate Assistant, faculty, staff, etc.).
- Complete the Travel Request at least five (5) working days in advance of the scheduled departure date (this allows for Enterprise to bring in cars/vans from the other locations if needed to fill all requests).
- Attach one copy of **trip itinerary to request** (include name and address of the event, date and time of the trip start, arrival at destination, list of daily events and times, and date of return – see sample).
- University credit cards are assigned to each vehicle. Use the cards **ONLY** while on distant trips, only for purchases of fuel, oil, and pre-approved repairs, and only for the assigned vehicle designated on the credit card. Your account will be billed for fuel/oil charges - they are **NOT** included in rental costs. **NOTE:** Fuel is currently cheaper at Travel Service than off campus, please try to bring your vehicle back to Travel Service for fueling at the end of your trip.
- If you must cancel a vehicle rental, you must do so 24 hours prior to scheduled time at checkout. If cancellation is made later than that time period or the organization does not pick up the scheduled vehicle, a late cancellation/no show charge of \$50 will be billed to the group.
- If you are involved in an accident, immediately report all accidents to Travel Service (618/453-3357). Your student organization will be liable for a maximum of \$1000 per accident.
- Tickets incurred for violations are the personal responsibility of the driver! This cannot be paid for with RSO or University funds.
- Reimbursement for out of pocket expenses for vehicle rental within a 100-mile radius of Carbondale **WILL NOT** be approved – **NO EXCEPTIONS!**
- Rentals of outside vehicles that do not go through the Office of Student Engagement Accountants cannot be paid for with fund in any University account.

Travel Etiquette and Behavior at Conferences

To ensure that all SIU students continue to maintain a reputation for excellence and high standards, SIU has high expectations of appropriate behavior when traveling off campus and attending professional conferences. It is expected each conference participant reads, understands, and follows any conference behavior standards as well as appropriate federal, state, and local laws. SIU expects conference attendees respect the property and the rights of the respective convention center and its guests.

Apparel and Promotional Items

The Offices of Student Engagement and University Communications and Marketing have established the following guidelines and procedures for RSOs that desire to have any apparel, jerseys, or promotional items designed and produced for their organizations.

Guidelines

- Official RSOs may produce designs promoting themselves and not departments, colleges, programs or centers. Exceptions may be made with permission of departments and approval of University Communications & Marketing.
- Designs should incorporate the official name of the RSO.
- RSOs that are sports clubs should avoid using phrases like “SIU Carbondale Rugby Team” or “SIU Hockey Team” to avoid confusion with official university NCAA teams.
- The university’s name may be included, but is not required.
- Designs should contain no promotion of drugs, alcohol, partying, and /or pornography.

Procedure

- Prior to contacting a vendor for a design, all RSOs must indicate to the OSE Accountants that their RSO will either be utilizing privately-held funds or their on-campus agency account. If they are utilizing their on-campus account, there must be an amount equal in the account to cover costs **PRIOR** to ordering.
- RSOs may utilize local or national vendors for their design orders.
- All final designs must be submitted to University Communications & Marketing at artwork@siu.edu for review and approval prior to production.
 - For those organizations whose name, logos, and Greek letters are licensed by your Inter/national Headquarters, you should follow your organizations established process for getting designs approved **PRIOR** to submitting to University Communications & Marketing for review as well as **PRIOR** to purchasing.
 - Submission to University Communications & Marketing for review is an indication that the artwork has been approved through any organization required review process. University Communications & Marketing will not be held liable for any expenses associated with a violation of an RSO’s internal processes.

- Student organizations should allow plenty of time for approval of the design. Plan ahead!

In the event that an RSO has concerns regarding the approval status of an apparel design, RSO leadership may consult with Office of Student Engagement staff for additional support.

Grievance Procedures for Registered Student Organizations

The following procedures have been developed to identify the steps taken in instances when an organization's status has been called into question because of a complaint or an adverse report about an organization's activities. Infractions that fall under the authority of the Southern Illinois University Carbondale Student Conduct Code shall be adjudicated according to the procedure as outlined by the office of Student Rights and Responsibilities. The status of a student organization may be reviewed through the following procedures:

- Any complaint against a Registered Student Organization, RSO officer, or advisor shall be reported to the Office of Student Engagement.
- Any student, faculty, or staff member of the Southern Illinois University Carbondale or community member may file a written complaint of an alleged violation against a recognized student organization with the Office of Student Engagement. In order to proceed, individuals should click [here](#), to complete the form.
- The Office of Student Engagement will attempt to resolve the matter through an administrative meeting once a complaint has been received. It is the goal of the Office to meet with student organizations at the lowest possible level to have the most beneficial educational influence on that organization and its members.
- The president and advisor of the organization will be contacted via their SIUC email in order to schedule a meeting with the Office of Student Engagement. If the organization fails to respond to a telephone call or an email to schedule a meeting, a certified letter will be sent to the address on file of the president.
- If both parties fail to resolve the complaint at an administrative meeting, and the Program Director for Student Involvement and Leadership determines that formal action should be

pursued, the Program Director will recommend to the Vice Chancellor of Student Affairs or their designee that appropriate disciplinary action be taken against the organization.

- An organization has the right to appeal the decision of the Office of Student Engagement in writing to the Vice Chancellor for Student Affairs within 5 business days.
- A registered student organization may be referred to the Office of Student Rights and Responsibilities at any time during the process if it is determined that their actions may have violated the Southern Illinois University Carbondale Code of Conduct. This could include but is not limited to acts of hazing, harassment, or a violation of an Alcohol Policy.
- Any disciplinary action taken against a Registered Student Organization by the Office of Student Engagement does not prevent possible disciplinary action being taken against individual members of the organization by the Office of Student Rights and Responsibilities.
