Dear Student Leader:

The position of Student Trustee comes with great responsibility and therefore I would like to congratulate you on your decision to participate in the election. We wish you the best as you develop your campaign and consider the strategies you will use to make your platform known to the student body. Please take a moment to familiarize yourself with this packet, as it will provide you with helpful information.

As campaigning begins for our Student Trustee Election, there are some important considerations we encourage you to keep in mind. Please remember the decisions you make now will reflect on your character and success, and will set the standards you will use later in life. Make choices consistent with how you want to be known and how you want to be remembered. Ultimately, winning is not just about being elected; it is about how you conducted yourself in the process to get there.

We encourage you to use good judgment consistent with our Saluki values and to remember that academic success is paramount. Do not let your coursework slide during the campaign/election period; doing so will have a negative impact on both the semester and your academic career.

Regardless of the outcome of the election, it is important you remain grounded by ethical standards. Please follow the Student Conduct Code, election guidelines, and other rules and regulations as they relate to advertising and posting on campus. Remember, you are responsible for your actions as well as to inform anyone acting on behalf of your campaign of the rules and regulations.

Running for Student Trustee is an excellent way to get involved in the University community and to develop leadership skills. Doing so will allow you to interact with students, faculty, and staff and set the tone for future civic engagement. Choose to run your campaign as a testament to your integrity and character and continue to strive for excellence!

With Saluki Pride,

Dr. Jeffery T. Burgin, Jr.
Vice Chancellor of Student Affairs
