Travel Request Guidelines

- When RSO’s reserve vehicles, the actual vehicle(s) that a group receives are contracted through Enterprise Rent-A-Car. This allows a student who is not on SIU payroll to rent and/or drive the vehicle. All drivers of these vehicles must be 21 years of age.

- If your group is eligible to rent a university vehicle through Travel Service as opposed to an Enterprise vehicle, you are charged PER MILE instead of a daily rate. All drivers of these vehicles must be 21 years of age AND be on the university payroll (i.e. Student Worker, Graduate Assistant, faculty, staff, etc.).

- Complete the Travel Request at least five (5) working days in advance of the scheduled departure date (this allows for Enterprise to bring in cars/vans from the other locations if needed to fill all requests).

- Attach one copy of trip itinerary to request (include name and address of the event, date and time of the trip start, arrival at destination, list of daily events and times, and date of return – see sample).

- University credit cards are assigned to each vehicle. Use the cards ONLY while on distant trips, only for purchases of fuel, oil, and pre-approved repairs, and only for the assigned vehicle designated on the credit card. Your account will be billed for fuel/oil charges - they are NOT included in rental costs. NOTE: Fuel is currently cheaper at Travel Service then off campus, please try to bring your vehicle back to Travel Service for fueling at the end of your trip.

- If you must cancel a vehicle rental, you must do so 24 hours prior to scheduled time at checkout. If cancellation is made later than that time period or the organization does not pick up the scheduled vehicle, a late cancellation/no show charge of $50 will be billed to the group.

- If you are involved in an accident, immediately report all accidents to Travel Service (618/453-3357). Your student organization will be liable for a maximum of $1000 per accident.

- Tickets incurred for violations are the personal responsibility of the driver! This cannot be paid for with RSO or University funds.

- Reimbursement for out of pocket expenses for vehicle rental within a 100-mile radius of Carbondale WILL NOT be approved – NO EXCEPTIONS!

- Rentals of outside vehicles that do not go through the Office of Student Engagement Accountants cannot be paid for with fund in any University account.
